

Hello Dear,

I am Captain Domingos Dos Santos from Portugal (Europe), I have lived in South Africa for (30) years. I also worked as the Director of Logistics with International Committee of the Red Cross (ICRC) with office in Pretoria, South Africa. I am presently suffering from Chronic Prostate Cancer and was told by my doctor that I have just few months to live on Earth.

My health condition has gotten worse and just two weeks ago my doctor informed me that my condition has reached a critical stage, and that I have few months left. This confirmation from my doctor was and still is devastating news; it is hard to know that you have just a little time left to live.

During my time in office as the Director of Logistics with ICRC, we involved in numerous international deals that fetched me some millions of Dollars. And the worst of all is that I had no child before the demise of my wife in a car accident last year.

After the doctor's medical pronouncement that I have just few months to live, I decided to divide my wealth to help the less privileged. I want to assist you with the funds to do great charity works in your country, this is my last wish. I selected you after searching few websites; I prayed and was led to you. I am willing to donate the sum of Eight Million, Five Hundred thousand United States Dollars (US\$8,500,000.00) to the less privileged through you.

Please I want to transfer this money to you the soonest. If you can handle this fund and very sure to do charity works on my behalf, then I will instruct my banker to transfer this money to you, and from there I will travel to Portugal to meet a specialist as I want to be buried in my country of birth.

The funds will be released to any designated bank account of your choice within 48hrs (2 days). The procedures and how to receive these funds from my bank will be directed to you as soon as you get in touch with me shortly.

Lastly, I honestly pray that this money, when transferred to you, will be used for the said purpose even though I might not be alive to witness your benevolence and philanthropic charity work. I have come to find out that wealth is vanity and I made a promise to God that my wealth will be used to support the poor and also assist the sick. Do let me know if you will be able to handle this fund and use it for the said purpose so that I will inform my attorney and my banker on my decision. Reply to me using this email. God bless you  
Captain Domingos Dos Santos
